The season is over for the snowbirds and Special thanks go to all the volunteers for keeping the activities exciting and well organized...your willingness to give your time and participation is deeply appreciated...

Communication is always in the forefront of any business or relationship and it was personal goal when asked if I'd consider steering the ship... Thankfully, with input and suggestions from park residents, we have developed the **Twin Lakes Community Club Social Group on Facebook** as a way of doing just that...communicating...please use this private group to announce, remind, correct, encourage, whatever the needs be, so that every community resident is informed with the correct information and policies.

Safe travels to all and wish everyone the best of summer wherever that might be...

Three quick ones

A kid found a magic lamp. When he rubbed it, a genie appeared. “What is your first wish?” he asked.

The kid thought for a moment and said, “I want to be rich!”

The genie replied, “It is done! What is your second wish, Rich?”

A photon walked into a hotel. “I’d like a room, please.”

“Of course,” the desk clerk said. “Can we help you with your luggage?”

The photon said, “No, thanks. I’m traveling light.”

A man walked into a library, approached the librarian, and said, “I’ll have a cheeseburger and fries, please.”

The librarian said, “Sir, you know you’re in a library, right?”

“Sorry.” He lowered his voice to a whisper. “I’ll have a cheeseburger and fries, please.”

A few snappy one-liners

- Sometimes when I close my eyes, I can’t see.
- An apple a day keeps anyone away, if you throw it hard enough.
- Dear math: Please grow up and solve your own problems. I’m tired of solving them for you.
- Your secrets are safe with me ... I wasn’t listening.
- I put my phone in airplane mode, but it’s not flying.
- If I won an award for laziness, I would send somebody else to pick it up for me.
- If we shouldn’t eat at night, why is there a light in the fridge?

At the height of laughter, the universe is flung into a kaleidoscope of new possibilities.

— *Jean Houston*
