## MEET YOUR NEIGHBOR:

### KIP & CONNIE SHINDELDECKER - #492

**O**ur life at Westwind started in 1995. Kip became ill and needed to be in a warmer climate, away from the cold Michigan winters. We had visited friends in Dunedin for several years and loved the area. We rented a place in Honeymoon park for three months the year before we bought our place. I was still working full time at a Credit Union here in Michigan. So Kip stayed for a few weeks at a time and I came as often as I could. I retired after 35 years in 2011. Kip worked for Whirlpool Corporation for 20 years before he was forced to retire because of his health. We have lived most of our married life in St Joseph, Michigan. A beautiful city on the shores of Lake Michigan.

We have two grown children, Bryan and Ginger. Five grandchildren, Mackenna 28, Megan 25, Ty 23, Jordan 22, and Jake 20. We have one great grandson Henry and another one on the way. We feel so blessed.

This July we celebrated our 55th Wedding anniversary.

Kip was one of the committee members who worked tirelessly to purchase the park. We were so proud to still be here to see that mortgage paid in full.

Kip helped to replace the back fences and the ones around the pool, and many other projects around the park. I served on the ROC board for several years.

We have traveled all over the world and to almost every state in the US. Had many exciting adventures and saw many awesome places. So now we are just happy to spend our winters here in Westwind with the many friends that we have made along the way.

some steps you can take to reduce the number of calls you receive. This article is updated periodically.

How to stop robocalls.

Best practices to keep annoying robocalls at bay.

According to the FCC, there are some easy steps you can take to help reduce robocalls:

- Don't answer calls from blocked or unknown numbers
- Don't answer calls from numbers you don't recognize
- Don't assume an incoming call is really from a local number just because it looks like it is
- Don't respond to any questions that can be answered with a "Yes."
- If someone calls you and claims to be with XYZ company, hang up and call the company yourself. Use the company's website to find an official number.
- If you do answer a call and hear a recording such as, "Hello, can you hear me?" just hang up.
- The same goes for a call where you're asked to press a number before being connected to a representative.

When you answer a call and interact with the voice prompt or by pressing a number, it lets spammers know your number is real. They can then sell your number to another company or begin targeting your number more frequently.

## THANKS TO ELAINE BLANK FOR THE FOLLOWING:

Tom and I have lived full time at Westwind since 2005. We would like to give a shout out to a few people who we have noticed quietly go about doing the things that make this the beautiful community and happy place to live. For the last ten years **Doug Hattan** has kept the American and Canadian flags flying and lowered them in respect and in memory of the residents who have passed away. He makes sure that the flags are replaced when worn, ripped, or faded. He just handed the job of writing on the message boards in front of the library and at the CR 1 entrance over to **Trish Craig**. For years he kept the meeting and activity notices up to date on those boards. Once a year he updates the directory at the corner of First Street and Tweedy Lane.

For many years **Iben** and **Harlow** have made sure the lights are out and the club house is locked and that the library and club house is secured. They keep the tables and chairs in order in the club house. Each morning they fill a pitcher with ice and set it on a tray with small paper cups so that anyone needing a cool drink can help themselves. They are always available to lend a helping hand.

What can I possibly say about **Anita**? She has kept the beautiful gardens weed free and blooming for years. It has to be a labor of love as she has spent hours and hours weeding, planting, spreading mulch and hauling material back and forth from the nursery to the park. She has recently put out a plea for some weeding help as she, like all of us is not getting any younger and all the digging, pulling, hauling takes its toll.

These folks have been the silent helpers for years and I just wanted to give them a little recognition and let them know that we appreciate them.

*There are many residents that silently go about making things better and volunteering to help whenever a need arises. It would be nice if we could recognize these folks in a little thank you in the Hi-Lites. Grab your computer and dash off a note to Tim and let's make someone's day a little brighter.*

## THANKS TO MARIA SERAPHIM FOR THE FOLLOWING:

### Story Definitions! :)

1. Once all villagers decided to pray for rain. On the day of prayer all the people gathered, but only one boy came with an umbrella. **That's FAITH.**
2. When you throw babies in the air, they laugh because they know you will catch them. **That's TRUST**
3. Every night we go to bed without any assurance of being alive the next morning, but still we set the alarms to wake up. **That's HOPE.**
4. We plan big things for tomorrow in spite of zero knowledge of the future. **That's CONFIDENCE.**
5. We see the world suffering, but still we get married and have children. **That's LOVE**
6. On an old man's shirt was written a sentence I am not 80 years old; I am sweet 16 with 64 years of experience. **That's ATTITUDE.**

*...continued on page 18*

Have a happy day and live your life like the six stories. When I was a child, I thought nap time was punishment Now it's like a mini-vacation.

## BOOK CLUB

---

**A**TTENTION ALL YOU BOOK WORMS:

The Book Club meets the last Tuesday of each month in the WW II library. It is open to all residents of Westwind.

## BOOK CLUB

Already it is October the beginning of the last quarter of 2020. Where did the year go? Our book for October is *Little Fires Everywhere* by Celeste Ng. This is a story about a suburb of Cleveland, Ohio where everything is meticulously planned. The street, colors of houses and the successful and orderly lives its residents will lead. Enter Mia Warren – an enigmatic artist and single mother – who arrives in this idyllic bubble with her teenage daughter Pearl, and rents a house from the Richardson’s. Soon Mia and Pearl become more than just tenants; all four Richardson children are drawn to the alluring mother-daughter pair. But Mia carries with her a mysterious past, and a disregard for the rules that threatens to upend this carefully ordered community. *Little Fires Everywhere* explores the weight of long-held secrets and ferocious pull of motherhood-and the danger of believing that planning and following the rules can avert disaster or heartbreak.

We will meet Tuesday, October 27th at noon in the club house to discuss this book. Please plan to attend whether or not you have read the book. Everyone is welcome to join our book club. It is a friendly, thoughtful group who love to read and enjoy learning about new subjects. We read a variety of books and are always open to new titles. See you on the 27th.

Elaine Blank

## WINDFALL SALE

---

**H**ope everyone is well and remembering to wear a mask and maintain distance. Jill and I had a discussion on whether or not to hold the Windfall Sale. Our main concern was for the safety of our residents. Other concerns were being able to follow CDC guidelines if necessary, cleaning the clubhouse before and after the sale and the Social Club's/Park's legal responsibilities. **As no one can predict the status of the pandemic for February 2021, we made the difficult decision to cancel the February 2021 Windfall Sale.**

We appreciate all the residents' efforts which make for successful sales and hope we are in a position to continue with the Windfall Sale in February 2022.

Be safe and stay well!

Thank you to all who let me know of a care concern. I feel like this is an important outreach in our community. As you know, sometimes we

get lots of signatures on cards during our Social Club gatherings; other times I send a card from the community. Either way, the recipient knows the Westwind family cares.

## REMINDER: HOMEOWNER'S INSURANCE

---

**W**hen you renew your homeowner's insurance (or when you buy it for the first time), remember to send a copy of the Insurance Declaration page from your policy documents to the Park Office. The Insurance Declaration page specifies your specific coverages; and most importantly to WWII, it states the specific 12 month period that your policy is in effect. Residents are required to send their updated and renewed Insurance Declaration page every year to the Office.

## Bulletin Boards

## “WILL WORK FOR BEER”

---

**S**omeone in WW II asked if we could try to bring back our old “Help Out Your Neighbor” that used to be in the “Hi Lites.”

Well.....we are! and here it is: We're calling it by a NEW name - "Will Work for Beer." If you have a SMALL job that needs to be done and would like an extra hand, one of these people can probably do it. (We're not talking about anything major. This is not meant to be for "handyman projects." It is meant for something relatively simple that should only take a few minutes to complete (installing fluorescent bulbs, programming a TV remote, hanging a curtain rod, getting something down from a top shelf, etc.) It is meant to be a FREE service. You are not expected to pay anything - even a free beer. This service will be provided to WW II residents We are looking for MORE names for this list. If you would like to be included, please call or e-mail me - Tim Burgner.

Just call anyone's name on this list. They'll let you know if they can help or refer you to another person.

## **JUST FOR LAUGHS & GIGGLES!**

---

### **THANKS TO ALICE WEBER FOR THE FOLLOWING:**

#### **Odd News Reports**

"The license fee for altered dogs with a certificate will be \$3 and for pets owned by senior citizens who have not been altered the fee will be \$1.50."

"Dr. Benjamin Porter visited the school yesterday and lectured on 'Destructive Pests.' A large number were present."

"The sewer expansion project is nearing completion but city officials are holding their breath until it is officially finished."

"The ladies of the county medical society auxiliary plan to publish a cookbook. Part of the money will go to the Samaritan Hospital to purchase a stomach pump."

#### **True Love**

An elderly couple was on a cruise and it was really stormy. They were standing on the back of the boat watching the moon, when a wave came up and washed the old man overboard.

They searched for days and couldn't find him. So the captain sent the old woman back to the shore with the promise that he would notify her as soon as they found something.

Three weeks went by and finally the old woman got a fax from the boat that read: Mam, sorry to inform you, we found your husband dead at the bottom of the ocean. We hauled him up to the deck and attached to his toe was an oyster and inside it was a pearl worth 50,000. Please advise.

**The old woman faxed back: "Send me the pearl and re-bait the trap."**

# THANKS TO CONNIE SHINDELDECKER FOR THE FOLLOWING:

Thought we needed a little humor.

I see people around my age mountain climbing - meanwhile, I feel good getting my leg through my underwear without losing my balance

I went to the psychiatrist today. She told me I had a split personality and charged me 160 dollars. I gave her 80 dollars and told her to get the rest from the other idiot.

Does anyone know how long toilet paper will last if you freeze it?

# THANKS TO JOEL DANIELS FOR THE FOLLOWING:

When one door closes and another door opens, you are probably in prison.

To me, “drink responsibly” means don’t spill it.

When I say, “The other day,” I could be referring to any time between yesterday and 15 years ago.

Cop: “Please step out of the car.” Me: “I’m too drunk. You get in.”

I remember being able to get up without making sound effects.

I had my patience tested. I’m negative.

If you’re sitting in public and a stranger takes the seat next to you, just stare straight ahead and say “Did you bring the money?”

When you ask me what I am doing today, and I say “nothing,” it does not mean I am free. It means I am doing nothing.

Age 60 might be the new 40, but 9:00 is the new midnight.

I finally got eight hours of sleep. It took me three days, but whatever.

I run like the winded.

# WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

## Don't hesitate when it comes to getting emergency treatment.

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are isolated from other patients. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information: [BayCareEmergencyCare.org](https://www.baycare.org/emergency)**
